

Your school's objective: _____

Campaign dates: **November 2026**

Help us get Sainte-Justine's Youth Tree of Lights campaign off to a bright start by joining private school students across Quebec in making the base of the Tree shine. It's a brilliant way to show your support for the patients, families and healthcare workers who will be spending the holidays at the hospital this year.

Every light is a beacon of hope. Your fundraising efforts will make it easier for families to cope and give the teams at Sainte-Justine the tools they need to make a difference in even more young lives.

Invite your friends and family to sponsor lights on the Tree for \$5 each. The total amount raised by our young philanthropists during the month will be announced at the kickoff event for the Tree of Lights campaign on November 30.

Remember to follow **@fondation_saintejustine** on Instagram and talk about us on social media!
